

Bytomic Tournament Arrangements

Dear SuttonTkd Students

We are delighted that SuttonTkd has a squad of 13 students taking part in the Bytomic Tournament on 22nd June. This will be a new experience for many of you, so Mr Nutt will be attending to coach and support.

In addition we will run a separate training session (details below) to run through how the tournament system works. There has been a change to the patterns division for example, whereby students are now required to complete two patterns (current grade and choice). This will be explained in full at the training session.

In the interim, if you have any queries please ask and good luck on the day!

Thanks

Anna Nutt (3rd Dan)

Tournament Preparation Session: 5-6pm on Sunday 15th June (Streetly Youth Club, B74 3HR)

Tournament Date: Sunday 22nd June 2014
